

2021 YOUTH LEADER STATEMENT

A Youth Leader is resilient and kind while demonstrating dedication, respect and problem-solving abilities. A Youth Leader is patient, experienced and has every willingness to learn and re-learn skill sets that will aid them in providing reliable care and support to participants. Leaders convey an understanding of other people's opinions and values, as well as a keen ability to listen. A great leader will be active in their ability to communicate effectively and concisely. A Youth Insearch Leader will strive to include others in activities and sessions as well as insuring they are upholding the confidentiality of participants, unless mandatory reporting must occur.

2021 ADULT LEADER STATEMENT

Team means we are in it together. Leaders are here to support the team positively by working collaboratively and transparently, and portraying leadership examples. Adult Leaders provide mentorship and respect other people's opinions and values. They must be approachable with problem solving skills; a leader that is loyal, resilient and someone we look up to. A true leader will seek feedback to assist with and formulate decisions, and be culturally accepting.
